City Championship Tournament Bowlers:

If you notice that your tournament checks are much higher than in the past, reason is that Bowl-A-Vard Lanes help sponsor our tournament this year.

The MWBA also enhances the tournament by adding \$1.50 per bowler to the prize fund.

If you get the chance say Thank You to Don Bussan for his generosity.

The MWBA will not have a city tournament in 2012 as some of you might not know that the Women's State Tournament is coming to Madison. The houses are Bowl-A-Vard Lanes singles & doubles & Badger Bowl team event.

Sincerely,

Marge Pursell  
Association Manager
